### **Instructions**

1. 1

Preheat the oven to 350°F. Grease an 8-inch square baking pan and line with parchment paper.

2. 2

In a bowl, toss together the oats, almonds and coconut, and set aside.

3. 3

Combine the butter, 1 tbsp honey and the sugar in a small saucepan set over a medium-low heat. Cook, stirring occasionally, for 3 to 5 minutes or until butter melts and sugar dissolves.

4. 4

Stir in the vanilla and cinnamon until smooth, then remove from the heat. Toss it with the oat mixture, and fold in half of the chopped TWIX®.

5. 5

Scrape the mixture into your prepared baking pan and press firmly into an even layer.

6. 6

Bake for 15 to 20 minutes or until golden brown. Allow to cool on a rack.

7. 7

Meanwhile, heat the dulce de leche in a small saucepan set over medium heat, stirring constantly, and bring to boil. Boil, stirring, for 5 minutes.

8.8

Spread the hot dulce de leche over the granola and allow to cool completely.

9. 9

Place the chocolate, coconut oil and remaining honey in a microwave-safe bowl, and microwave on Medium power, stirring every 30 seconds for 1 to 2 minutes or until mixture is smooth and melted.

10. 10

Spread it over caramel layer, then sprinkle with the remaining chopped TWIX® and sea salt.
