

TWIX Halloween Green Chocolate Aliens
RECIPE

TWIX Halloween Green Chocolate Aliens

Time	15 minutes
Ingredients	7 items
Makes	12 servings

Hailing from Planet TWIX, the caramel chocolate space invaders known as the Twixians have come to Earth to devour all our Halloween chocolate bars.

Ingredients

- 12 fun size TWIX bars
- 85 g white chocolate, melted
- 2 tsp green food coloring gel
- 12 pretzel sticks, halved
- 3 tbsp chocolate cookie crumbs
- 29 g dark chocolate, melted
- 24 small candy eyes

Instructions

1. In small bowl, stir together melted white chocolate and green food coloring. Dip each TWIX into bowl, shaking excess chocolate back into bowl.
2. Transfer to parchment paper-lined tray. Place pretzel stick halves on each side of Twix in lower third of bar to resemble alien antenna. Sprinkle tops of each TWIX with cookie

crumbs to resemble hair. Let stand for at least 1 hour or until chocolate is set.

3. Scrape melted dark chocolate into piping bag fitted with small round tip. Pipe 2 dots onto each TWIX; press candy eyes onto dots. Drizzle melted chocolate in crooked line for mouth.
4. For quick and easy decorating, substitute a tube of store-bought brown or black food coloring gel for melted dark chocolate.

Check out our Halloween store for the chocolate used in this recipe and for all your trick or treat needs. Simply click the button below!
